EDUCATION

Singapore University of Technology and Design (SUTD)
Bachelor of Engineering in Computer Science and Design

Singapore
Sep 24 - Present

Singapore Polytechnic
Diploma in Infocomm Security Management

Singapore
Jan 21 - Dec 24

West Spring Secondary School
GCE 'O' Level

Singapore
Jan 17 - Dec 20

WORK EXPERIENCE

Self Employed

Nov 25 - Present

Freelance Web Developer

Singapore

- Built and deployed 5+ full-stack web applications utilizing Next.js, React, Tailwind CSS, Supabase, and Railway within 1-3 week timelines
- Improved website performance and SEO, achieving ~30-50% faster load times and increased search visibility

KLASS Engineering & Solutions

Mar 25 - Aug 25

Data Annotator

Singapore

- Annotated 10,000+ data points to support ML model training; reduced labeling discrepancies by ~20%
- Collaborated with cross-functional teams to clarify edge cases and ensure high-quality dataset accuracy (>95%)
- Improved annotation consistency by contributing to workflow refinements, reducing labeling discrepancies by ~20%

iClick Media Pte Ltd

Sep 23 - Feb 24

Web Developer Intern

Singapore

- Developed and deployed 7+ client websites leveraging HTML, CSS, JavaScript, PHP, Node.js, and Python
- Conducted testing and debugging, resolving 50+ front-end and backend issues to enhance stability and user experience

PROJECTS

Personal Project

Jan 26 - Present

Chrome Extension Bug Reporting Tool

Singapore

- Developed a Chrome extension using JavaScript to automate capture of console logs, network requests, and metadata, decreasing debugging time significant

Personal Project

Jan 26 - Present

AI Autonomous Minecraft Bot

Singapore

- Built an AI agent using Python, Node.js, and Mineflayer; integrated LLM (Qwen API) for real-time decision-making

LEADERSHIP

Diving Club (SUTD), President

Jan 25 - Jan 26

- Led 200+ members, overseeing operations, logistics, budgeting, and overseas trip coordination

Athletics Club (West Spring Secondary School), Vice-Captain

Jan 20 - Dec 20

- Organized and led 12 athletes' participation in the MacRitchie Reservoir Relay Marathon, managing logistics and coordination

INTERESTS & ACHIEVEMENTS

Qualified Information Security Professional (QISP) Certificate (2023)

SOC CodeOut 2021 — Silver

Edusave Good Progress Award (2021)

SKILLS

Technical: HTML, CSS, Python, JavaScript, Cryptography, Ethical Hacking, Microsoft Operating System Security, Digital Forensics, Linux Administration, Secure Coding, Malware Reverse Engineering, Penetration Testing, Microsoft Cloud, PHP, WordPress, Java, Astro, Typescript, Tailwind CSS, React, Next, Express, Canva, Figma

Soft Skills: Adaptability, Analytics, Initiative, Collaboration, Critical Thinking, Communication, Leadership

Languages: English (Fluent), Mandarin (Fluent)
