

Education

School of Technology and Design (SUTD)

Expected 2028

Bachelor of Engineering (Computer Science and Design)

Relevant Coursework: Programming (Python), Object-Oriented Design, Data Analysis, Systems Thinking, User Experience Design

Singapore Polytechnic

2021 - 2024

Diploma in Infocomm Security Management

West Spring Secondary School

2017 - 2020

GCE 'O' Level

Work Experience

Freelance Web Developer

Nov 2025 - Jan 2026

Self Employed

- Designed and developed responsive websites using Next.js, React, and Tailwind CSS
- Collaborated with clients to translate business requirements into functional web solutions
- Built full-stack features with REST APIs and MongoDB
- Improved performance, accessibility, and SEO across projects

Data Annotator

Mar 2025 - Aug 2025

KLASS Engineering & Solutions

- Analysed and annotated data according to project requirements
- Documented annotation processes and actively participate in refining annotation workflows
- Fostered effective collaboration within cross-functional teams to clarify requirements and resolve any discrepancies

Web Developer Intern

Sep 2023 - Feb 2024

iClick Media Pte Ltd

- Designed and developed responsive websites using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and optimisation for fast loading times
- Effectively collaborated with clients and internal teams for project success
- Implemented backend functionalities using technologies such as PHP, Node.js, and Python, integrating databases and APIs for dynamic content generation
- Conducted thorough testing and debugging to identify and resolve issues, ensuring the functionality and performance of web applications

Leadership & Activities

Diving Club (School of Technology and Design)

2025 - Present

President

- Effectively leading the diving club by overseeing operations, managing logistics, planning overseas trips, and coordinating events

Athletics Club (West Spring Secondary School)

2020 - 2020

Vice-captain

- Effectively leading the diving club by overseeing operations, managing logistics, planning overseas trips, and coordinating events

Achievements

Qualified Information Security Professional (QISP) Certificate

2023

SOC CodeOut 2021

2021

Silver

Edusave Good Progress Award 2021

Past Projects

Personal Portfolio Website 2025

Developed a personal portfolio website using Astro, integrating interactive mini projects to demonstrate technical proficiency and project experience.

Malware Detection Tool 2024

- Utilised machine learning to predict malware and its type through its static features
